

"I Like" Poems

TRY YOUR HAND AT POETRY!

Supplies:

paper, any art supplies, your imagination

Directions:

Divide a piece of scratch paper into two columns.

At the top of one column, write "I Like." Write "I Don't Like" at the top of the other column.

Begin filling in the columns with things you like and don't like.

Look at your lists. Can you see any theme or some that go together well?

The first three lines of your poem will start with "I like" followed by something from your like column.

The last line will start with "But I don't like" followed by something from that list.

Illustrate your poem.

Send us a pic for social media if you like:
